### **Product Description**

## **Commercial 30" X-Series Self-Propelled Mower**

Do you want the portability and versatility of a 30-inch deck width in your next commercial walk-behind mower? Look no further than the Exmark Commercial 30-inch X-Series. Travel at variable speeds between 0 and 3.8 mph thanks to a powerful Kawasaki engine. Produce precise turf length with Exmark's patented height adjustment system. Tackle any project with fewer breaks with a one-gallon fuel tank.
