Product Description

Ariens Professional 28 Snow Blower, Alpine Edition - 926080

The Professional Series earns its name by the tonnage it clears during each use. The deepest, heaviest snowfalls are no match for this 420cc EFI engine. A giant 23.5" housing height and 16" serrated auger scarf down mountainous drifts with ease, throwing snow up to 60 feet. You don't need to be a professional to own one, only the desire to move as much as possible in as little time as possible. Throw like the pros with this machine.
