Product Description

Toro 60V MAX* Brushless Leaf Blower - 51821

The Toro 60V Max Brushless Leaf Blower is an aerodynamic beast, thanks to PowerJet® technology. Larger air vents maximize air intake, while the perfectly optimized jet fan design provides peak efficiency, resulting in supercharged airflow. Go from zero to 110 mph in 1.3 seconds flat with over 565 CFM** of awesome air volume that makes small work of huge leaf piles. Achieve ultimate comfort and control with variable speed trigger, cruise control, and turbo boost button. Brushless motor with RunSmart® onboard intel optimizes RPMs and torque in real time, for peak cutting performance in the toughest conditions. As part of the Toro 60V Flex-Force Power System®, it's got power like no other that commands a full line of tools. Go from tool to tool to tool, done and done and done.

Features:

- Finish Faster - Move large piles of leaves faster with 565 CFM of air volume and 110 mph air speed.
