### Product Description

## Cub Cadet CC800 Lawn Mower

The Cub Cadet CC800 wide-area walk-behind mower offers great innovation and performance. It features a strong 10.5 HP Briggs and Stratton OHV engine for powerful cutting. The 33-inch steel cutting deck ensures maximum efficiency. This mower is built to last and can cover more ground quickly, finishing the job faster than a standard 21-inch walk-behind. With dual blades, it provides a superior cut that looks like it was done by a riding mower. A 344cc Briggs & Stratton® OHV engine with keyed start is built with the strength to power through your yard. Variable 4-speed drive system allows you to set your speed based on terrain and personal preference, with 4-forward speeds and 1-reverse speed. Separate drive controls and blade brake clutch, allows blades to be disengaged while operating. Read More 8-in. ball-bearing caster front wheels provide easy maneuverability.
